PROFESSIONAL SUMMARY

Technical market development and B2B sales candidate with a Chemical Engineering background and direct product experience in Polyvinyl Alcohol (PVA) grades — a core ingredient in coatings, inks, and adhesives applications. Proven ability to manage outbound lead generation, qualify and convert sales opportunities, deliver technical support, and coordinate pipeline handoffs in B2B industrial environments. MS in Technology Management, Gies College of Business, UIUC (GPA 3.9/4.0).

EDUCATION

University of Illinois Urbana-Champaign, Gies College of Business

Champaign, IL

M.S. in Technology Management (STEM-designated) — GPA 3.9/4.0

Aug 2025 – May 2026

Nirma University

Ahmedabad, India

B.Tech. in Chemical Engineering — GPA 3.75/4.0

May 2021 – May 2025

RELEVANT EXPERIENCE

Om Neelkanth Enterprises | B2B Manufacturing & Trading

Ahmedabad, India

Operations, Marketing & GTM Associate

Mar 2021 – Jul 2025

- Served as the commercial and technical point of contact for Polyvinyl Alcohol (PVA) grades — PVA 173 and related industrial SKUs used in water-based coatings, adhesives, and specialty inks.
- Built prospect lists and ran outbound phone and email campaigns; qualified leads and coordinated handoffs to senior stakeholders across six PVA product grades.
- Conducted market and competitive analysis to surface growth opportunities; analyzed demand, pricing, and order data to guide business development decisions.
- Created marketing content, product summaries, and sales-support materials; partnered with leadership to define target customers, segments, and positioning for key SKUs.

Megabits Advertisements | Marketing & Lead Management

Ahmedabad, India

Marketing & Growth Operations Lead

May 2023 – Jul 2023

- Promoted to team lead mid-internship; led a 20-member execution team managing lead flow, conversion tracking, and pipeline throughput.
- Improved traffic and engagement ~15% through targeted lead-generation strategies; built Excel performance trackers for leads, clicks, and campaign throughput.

Horizon Hobby | American MNC

Champaign, IL

Supply Chain Intern

May 2026 – Aug 2026

- Built data-driven analytical models and presented strategic findings and process-improvement recommendations to senior leadership; raised replacement-parts fill rate to 95%.

LEADERSHIP

General Secretary, 2023–2024 | ChESA & IChE, Nirma University

- Led cross-functional marketing, sponsorship, and communications teams; secured USD 1,000 in sponsorship through strategic outreach and negotiation.
