

Harvin Patel

Supply Chain | Operations Manager | Marketing (GTM) | Technical Marketing | Analytics (SCM/Operations/Marketing)
harvinpatel@gmail.com | STEM-OPT eligible | Open to relocation | [Portfolio](#) | +1(217) 550-1402 | [LinkedIn](#)

PROFESSIONAL SUMMARY

Supply Chain/Operations and Go-To-Market candidate with a STEM background in Chemical Engineering and graduate training in Industrial/Technology Management. I am learning how to implement AI and automate work as much as possible even in fields like Logistics/Operations and SCM.

EDUCATION

University of Illinois Urbana-Champaign, Gies College of Business

Master of Science in Technology Management (STEM designated program)(3.9/4 GPA);

Nirma University

Bachelor of Technology in Chemical Engineering(3.75/4 GPA);

Champaign, IL

Aug 2025 – Aug 2026

Ahmedabad, Gujarat, India

May 2021 – May 2025

ACHIEVEMENTS & PROJECTS

Gies Supply Chain Case Competition – 1st Place (Echo Global Logistics) [Pitch Deck](#)

- Developed and presented a strategic solution translating complex data insights into clear recommendations
- Analyzed large-scale operational data (22K+ rows) while maintaining strict data confidentiality

Project Nexus Case Competition – Organiser

- Designed & Authored the case covering auction mechanics, path selection, three-audience demand modelling, supply chain & marketing parallel tracks, and a full CapEx/OpEx budget framework
- Ran the competition with the participants and coordinated with 4 faculty judges (incl. Michal Szymanski, Ismail Kirci), 2 faculty mentors, and logistical support from Gies College of Business

Gies Build-A-Thon [\(The Agent\)](#)

- Created an AI Agent to manage marketing campaign and its operations in one click
- Incorporated mentor suggestions and coursework learning to create the agent in under 24 hours

Horizon Hobby - Supply Chain Analytics -2nd Place - [Pitch Deck](#)

- Created a model for demand forecasting increasing fill rate to 95%
- Increased forecasting accuracy to 76% with very limited dataset availability whilst adhering to Horizon Hobby's NDA for using data.

RELEVANT EXPERIENCE

Om Neelkanth Enterprises | (B2B Manufacturing & Trading)

Operations, Marketing & GTM Associate

Ahmedabad, Gujarat

March 2021 – July 2025

- Supported day-to-day operations and served as a primary point of contact for vendors and suppliers, supporting pricing discussions, availability checks, and purchase coordination
- Created an AI agent to run sales pipeline increasing sales by 15% within 1 month
- Planned, scheduled, and tracked inventory levels, orders, and fulfillment to ensure on-time delivery and minimize stock-outs and familiarized myself with SAP

Vidhi Enterprises | (Surgical Cotton Manufacturing)

Operations & Market Analysis Intern

Dholka, Gujarat

May 2024 – July 2024

- Translated complex operational and technical concepts into **clear documentation and executive-ready narratives**.
- Supported change management efforts by preparing rollout documentation, training materials, and performance tracking.

Megabits Advertisements | (Marketing / Lead Management / Data Solutions)

Marketing & Growth Operations Lead

Ahmedabad, Gujarat

May 2023 – July 2023

- Got promoted to team lead mid internship for work performance

LEADERSHIP ROLES

General Secretary 2023-2024 at Nirma University

Chemical Engineering Students' Association (ChESA) & Indian Institute of Chemical Engineers (IChE)

- Led cross-functional teams across **marketing, sponsorship, logistics, design, and communications**

SKILLS

Supply Chain Operations: Supply chain & Inventory Planning & Management, Vendor Relations, Purchasing Support, Product Line Support, Sales Operations Support
